

The course has been well-crafted and jam-packed full of excellent guidance

## Autism at the P4-7 Stage Parent Information Sessions 2024

These sessions certainly felt supportive and non-judgemental which is so welcome!

*Did you miss these sessions? Why not watch the pre-recorded versions.*

*\*subtitles/transcripts in most languages/ playback at varying speeds (Some videos may only be available until Aug 2024)*

The fact that they are available online and then available as a video link is BRILLIANT.

I couldn't attend any of the sessions live but I have watched all the video links- and this has been really appreciated and such an excellent, accessible approach

It's been so helpful!

 Accessing subtitles in your home language on youtube
