Bikeability

- Bikeability is generally delivered from P4 up.
- In most schools it happens in P6 (Level 1) and P7 (Level 2)
- We have no parents/carers or staff trained to deliver the programme. (Training is free.)

School Grounds

- The structures in the wonder woods are not safe;
- The gazebo has been repaired;
- The pond area has been tidied and the pond is needing some further care.

School Grounds

- Our PSA has set up a “Just Giving” page to raise funds for our mini-upgrades of our playground.
- So far - £2,203...
- Target is £26,000
- If target not met, PSA would have to decide what to do with funds. It is hoped that there will be enough to tackle at least half of it.
