Annual Report from PCC

- Thank you to all members of the PCC, who have turned up full of enthusiasm and fully participated with the meetings this year.
- We've had good debate, heated (slightly) conversations and fun.
- I've thoroughly enjoyed this year, and whilst my Chairing skills might not always have meant we finished on time it was worth it.

We have discussed many topics – and some many times. We see you PARKING

Phase 1 of the Playground Development

Parent/Carer Engagement and Support has meant...

- We had a very generous donation made by the grandparents of one of our families.
- From this, we were able to purchase learning resources, Smartboard and it made a sizeable contribution to our P1 area at the front of the school.

Parent/Carer Engagement and Support

Very well attended On-Line Safety session for parents/carers in March.

Lots of questions asked and answered.

Remaining vigilant is the best protection for our children.

Digital Learning

Empowered Learning
P6 and P7 iPads for every child.
P7s are leaving their iPads at high school, following their 3-day visit.
New iPads for next year's P6s

Curriculum Development – Numeracy and Maths

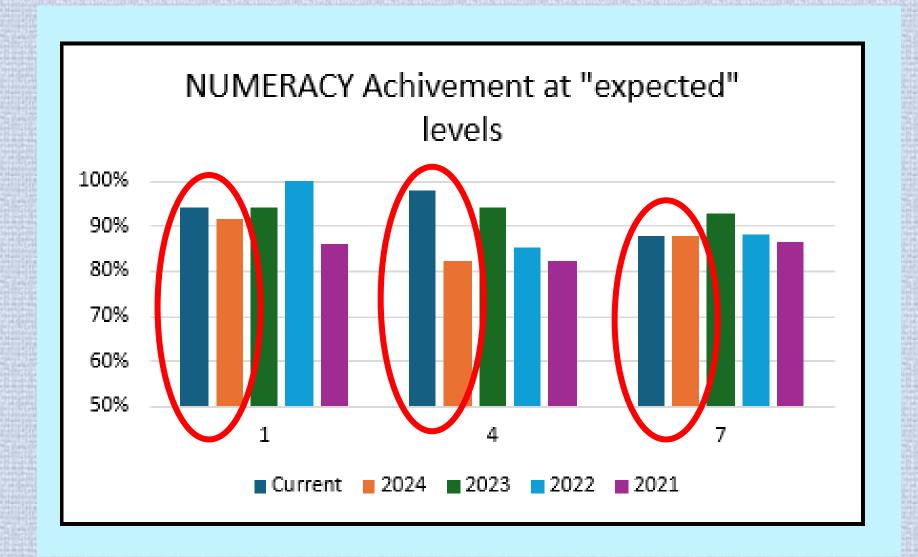

We had a focus on numeracy this year and this included learning about CEC new Numeracy Pathways for teachers and learners.

There was another Maths Week - helpful for breadth and depth of numeracy and maths learning.

Staff will be engaging with Dyscalculia training in the August INSET.

Attainment - Across the School

<u>Curriculum Development –</u> <u>Learning and Teaching</u>

We looked at our Learning and Teaching Policy:

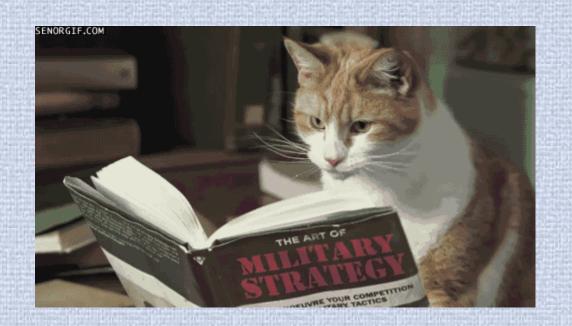

- · Purpose;
- · Pitch and Progress;
- · Pace;
- · Preparation.

We agreed that, as teachers, we must:

- · Know our learners;
- · Agree worthwhile outcomes;
- · Set high expectations of our learners;
- · Know our impact on the learning.

Homework...

We looked at Homework and the impact it has on learning. We focused on consolidation and practice as well as encouraging reading every day.

Attainment - Across the School

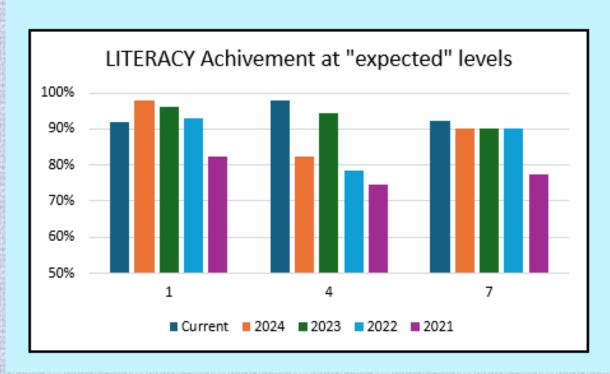

National Expectation is 75%
City of Edinburgh Expectation is 85%
