

*Blackhall Gardening Day – What did we do??
Saturday, 28th Feb 2026*

Restoring our pond...

“Richard, The Legend” (Mia’s dad) built fences and gates and he and Mark (Bronagh’s dad) brought our pond back to life! Amazing!

*We needed water...
Thanks, Sadie!*

Welcome back, old friend..!

“King Kev!” (Dad of Benji and Cooper) worked tirelessly to create a beautiful frame for the front of our school and our new wild turf! Superstar!

What a
difference
to the
front of
our school!

Extra turf has been laid at the front. It already looks great but will soon look even better!

*This is how it
looked before...*

Jane and Amy
(Mums of Imogen
and Ivy)
preparing the soil
with hard work
(and a bit of
rotavating fun!)

*Looking
good...*

*What a
difference!!*

• *Fantastic!*

Now let's just give it some time and space to grow.

Don't forget the growing part of our playground.
Another amazing Richard (Arthur's dad) was leading
the shovel brigade back here!

Imogen and Bronagh were clearing,
sweeping, scooping and
wheelbarrowing!

(Check out
Bronagh's organic,
inventive handle
fix!!)

*We have a new Willow Tunnel!
Thank you, Lucy, for leading on this.*

Thank you, Mrs Mitchell, for ensuring Gardening Day was a big success!

Sadie's mum was in her element! Thank you, Kate, for showing those leaves who's boss!
